From President's Desk...

Hello Friends,

I am very glad and esthetic to see that our society transformed and down towards the i.t field, it is the Compliance and surveillance of our expert faculties who really worked hard for the promotion of the computer education In our society, dish net infotech is one of the leading institute in computer field & putting the relentless effort Towards the computer education. Our institute conferred the opportunities to the every class of the society and every age Group of the people, we bridge the gap between girls and boys eradicate the discrimination from the society by putting Our effort. Dish net infotech never let down the zeal of our students by providing the proper direction and career Guidelines in regular intervals. We also intensify the mentality of our students and boost up with the confidence by Organizing the differnet programs such as presentation. Preparing of project, counseling by experts & interviews in National and multimedia companies.

Dear students invent your ideas and explore your imagination, boost your mind electrifying your energy, Learn from failure, set your goals & approach for success one day success will touch your feet.

There is also the great coordination among the students and the teachers who make our venture successful. Our motto is that no one should be illiterate and uneducated in our society. Every student has the right to be literate and Lead an esteemed life. Now days the computer become the most essential part of our life so the need of the computer in Every sector of our business and service.

In this competitive world everyone rushing for excellence and having lots of work to do in shorter time but Lack of computer education it would not be possible. I have been working this dish net infotech since many years. I had faced lots of loopholes and challenges but never get back or down my moral, constantly with diligence and Cognition. Some in response i wish from our talented and dynamic students that they should follow their ideal and work With custom of the day. Your ability and success take you to the height & to of the world.

If i had not decided for success i would have been unsuccessful. So i feel very happy that today our institute Is providing lots of course for the students. My request & i solicited that every student of our institute and of our society Don't let yourself down or don't relinquish your opportunities.

In addition we also confer the opportunities to the students by conducting our scholarship exam after every Three months & four times in a year. Also places the students in various companies for the jobs and services according to His or her capabilities & [potential. Here in dish net infotech every single student has the opportunity/occasion to Groom & enhance the personality & develop their mental skill by learning the advance job oriented courses.

I would like to thank & put my gratitude's our staff and members of our panel & our society off course. Finally i am in impression & my experience that our dream surely true.

Best Of Luck

Jai Hind

Thanking You

With Great Cordial Regards

DEEPAK CHAUHAN (ADV.)

(President)

DISH NET INFOTECH[®]

AN INSTITUTE OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

COMPUTER COURSES OFFERED

1. Office Automation

Fundamentals Of Computer
Ms. Dos, Windows 2000/01
Microsoft Office
Word, Excel, Power Point
Internet, E-mail
Chatting, Surfing
Browsing, Download
Practical Project
Assingments, Typing Practice
Software Practice/Installation

2. DTP / GRAPHIC DESIGNING

Corel Draw
Adobe Page Maker
Adobe Photoshop
Font Navigator
Sketching
Placement
Drafting Marketing

3. TALLY / ERP

Intro To Accounting

Journal Entry, Accounting Cycle Inventor Control System. Payroll System, Create A Company Use Indian Vet, Use Security Control Basic Currency Information, The Buttons Intergrate Account And Inventor, According Features, Inventory Features. Configuring Tally, Number Symbols, Creating Account Master, Creating A Ledger, Creating Multiple Stock Group, Location/godowns, How To Create And Use Price List, Enterning Voucher, Intro To VAT (Value Added Tax)

Project & Industrial Traning

Ledgers And VAT, Display/reports In Tally
Daily Voucher Entry, Journal Entry,
Financial Report, Inventory Controls VAT, CST,
TD's Balance Sheet Service Tax Etc.

Introduction To TDS
Practical Project

4. PUBLISHING

Quark Express, Adobe Illustrator
Print Technology, Project Work
Assingment

5. WEB DESIGNING

HTML, DHTML, Dream Viewer, Java,
Java Scripting, Concept Of Website,
VB, VB SCRIPT, FRONT PAGE,
INTERNET PRESENTATION,
PROJECT MAKING

SPOKEN MODULES & CONTENTS

Module 1st

- ✓ INTRODUCTION
- ✓ GENERAL CONVERSATION
- ✓ DAILY ROUTINE
- ✓ SHORT RESPONSES
- ✓ VOCABULARY
- ✓ DESCRIBING WORDS
- ✓ SLANGS
- ✓ STORY WRITING
- ✓ TENSES
- ✓ ADVERBS PHARSES
- ✓ EXTEMPORE

General Sentence Building :- Parts Of Sentence, Clauses, Phrases, Types

One Word Substitution Synonyms
Phrases & Idiom Proverb
Word Often Confused Phrases & Idioms
Correct Usage Conversational Techniques
Vocabulary Building Tips
On Personaly Development.

Adv. Grammar Group/Mock Discussion
Current Affairs/gk Audio/video
Session, Extempore, Skill Writing Roleplay,
Tongue Twister Excercises, Presentations,
Voice & Accent

Module 2nd

- ✓ TONGUE TWISTER
- ✓ MODALS
- ✓ ACTIVE PASSIVE
- ✓ VOCABULARY
- ✓ GROUP SENTENCES

Module 3rd

- ✓ ADVANCE STRUCTURE
- ✓ PROVERBS
- ✓ CONDITIONAL SENTENCES
- ✓ CONFUSING WORDS
- ✓ INTERVIEW PREPARATION

TRANSLATION

Conditional Sentence, Idiomatic Use Of Words.
Extra Exercises
Syntax, Preposition, Conjunction, Adjective
WH Family Words Of Question, Conditional,
Verbs Sentence, Precis-Writing, Essay Writing

HIGHLIGHTS :-

Right Pronuciation	Presentation Skills
Interview Skills	Writing Skills
Confidence Building	Soft Skills

Hardware

Hardware Contents :-

1. Identify The Componets Of The Computer
2. Opertaing System Dundamentls
3. Types Of Display Devices.
4. Install And Configure Storage Devices.
5. Overview Of Motherboard
6. Installing An Operating System
(windos Xp Windows 2007, And Vista)
7. Installation All Types Of Software
8. Assembling/Diseembling And Testing A Pc.
9. Troubleshooting System Componets.
10. Procuring The Componets Requiring For
Assembling A Computer
11. Types Of Virus And Securing The Operating
System With Anti-virus
12. Disk Managment Tools/window Bakeup
Utility/Types Pf Printer And Scanners.

1. Exploring The Functions Of Networking
2. Understanding The Network Devices.
3. Osi Refernce Model
4. Ethernet Networks.
5. Networking With TCP/IP.
6. Subnetting Twith CIDR.

NETWORKING CONTENTS :-

1. Introduction Of Networking
2. Introduction To Lan, Wan
3. Network Communication Mrthods.
4. Mode Of Transmission
5. Install And Configure Web Browse
6. Protocol Analysis
7. Network Data Delivery
8. Network Topologies
9. Network Media And Hardware
10. Types Of Cables And Cabling
11. Network Design
12. Network Connectivity Devices.

NETWORK PLUS (NET +)

7. Subnetting With CIDR.
8. Router, Components Of Router, Routing Protocols.
9. Router Configuration (RIP, OSPF, EIGRP)
10. VLAN Configure.
11. Understanding The Host To Host Communication
Models.
